Date: November 17, 2020

As of 12pm today November 17th, 2020 we are closing our administrative and visitation lobbies until further notice. This is a precautionary measure due to the recent rise in Covid cases in our area.

All finger print and background check services will be suspended during this time as well. All registered sex offenders that need to fill out their registration packet or change their address should report to the booking lobby in the back of the jail to fill out the appropriate paperwork.

Applications for the Sheriff Santa/Rome Fire First Responder Christmas Program will still be accepted online only until 4:30pm Friday November 20th, 2020.

We will advise you of reopening dates as soon as possible.

Thank you,

Sgt. Anthony Cromer
